

Help Strengthen Sacred Ground

Help build capacity and community among Sacred Ground facilitators

We estimate over 37,000 people have walked the path of Sacred Ground toward racial reconciliation and justice.

We want to grow our capacity to train and support facilitators, and we don't want to re-invent the wheel.

So, if you (or someone you know) has developed training and support for Sacred Ground facilitators in your area, we'd like to hear from you.

Help form a church-wide community of peer-to-peer support.

Please circulate this invitation widely!
